Welcome to our latest AR Bodies ABC Catalog. I wanted to take a few moments to Thank You for considering our products and welcome you to the AR Bodies Family. Our goal above all else is to bring Honor and Glory to God through this business and in our personal lives, as well as helping you and your team succeed both on and off the track.

Throughout the years the LORD has blessed us with the knowledge and ability to design and create innovative products that are some of the best available for Short Track Race Car Bodies at an economical price. Our products have been considered cutting edge by the industry insiders for over three decades.

At AR Bodies we manufacture a full line of race car bodies and components that are track tested and proven with you, the racer, in mind. We are dedicated to providing quality products and service. Short track racing is an ever changing industry that requires we be diligent in our pursuit to provide the latest performance enhancing bodies and accessories to our customers at a reasonable price.

We are one of only two companies that are founding members of the ABC (approved body configuration) program. This program is in place in most racing series and at most race tracks across the United States and Canada. This fact assures you that your new AR Body will adhere to the strict guidelines and template procedures set forth by the ABC program, no matter where you race!

As many of you know our business was in large part destroyed by a devastating fire in July 2011. We are extremely GRATEFUL for all the prayers and help we recieved during the past months. As tragic as this seemed at first glance, it has turned into one of the greatest blessings GOD has ever provided for us. It has allowed us to restructure our business in a way that when completed will make us stronger and more efficient than before. This restructuring will benefit not only AR Bodies and it's employees but most importantly all of our customers. Thank You so very much to all of our customers that have shown great patience with us through this rebuilding process. We are also very thankful for the dedication of the greatest employees and friends that anyone could ever be blessed with.

As always we love to promote our customers achievements! If you would like to possibly be featured in an upcoming catalog, advertisement or website please feel free to contact us with your information and photos.

In closing, I would like to say THANKS to everyone who has contributed to the success of this business for 30 years and to all those that are playing a part in it's future.

When considering your next body purchase, call AR Bodies... There is a Difference!

## Offset Brake Ducts that Work ...ARbodies Exclusive! Designed for ABC Noses.

Molded to fit the Compound Shape of Plastic Noses. With the New Narrower Noses most Brake Naca Ducts point your brake hose toward radiator duct work and ground. This causes problems running the brake duct hoses without kinking and blocking Air Flow. Not Good! These Specially designed Offset Brake Ducts fix these problems and work great with all ABC noses and most others as well. They help your hose run level and parallel to the front clip making it easier to run it without kinking. Thermoformed from Black HDPE for fit and durability, made in Left and Right designs for better fit.

## Air Filters

At Aluminum Racing Products we build Race Car Bodies and Components that perform on the track. We feel these are the best flowing Air Filters to use when using our Pro Flow Cold Air Boxes.

These Wix Filters feature Wire-backed gauze Reemay® media (T-66) which allows maximum air flow, while minimizing restriction to boost horsepower.

# Ordering Information

## TERMS AND CONDITIONS

**DEALER DIRECT ORDERS:** We encourage all customers to buy from our stocking dealers. If the dealer in your area knows the body style you are running, they will stock the parts you need. Ordering from your local dealer will **SAVE** you money on shipping charges. Call today for the dealer nearest you

**FACTORY ORDERS:** ARbodies telephone hours are 8:00 am to 5:00 pm Central Time, Monday through Friday, evenings and weekends by chance. Most orders are shipped the same day they are placed.

**SHIPPING:** All orders are shipped FCA Aluminum Racing Products, Greenbrier, Tennessee freight collect. All orders must be pre-paid with credit card, cashier's check, money order, bank wire or certified check. Orders can be shipped COD/cash.

**RETURNS:** Unused parts may be returned provided the items are in new, undamaged condition (no dents, scrapes, holes drilled, rust, etc.). Returned items must be packaged with care and shipped freight pre-paid to Aluminum Racing Products, 2308 Industrial Dr, Greenbrier, TN 37073. A 20% re-stocking charge applies on all returns. No returns on special order items

### RETURNED GOODS AUTHORIZATION:

1. A copy of the items to be returned must be received by Aluminum Racing Products for review before any items will be accepted.
2. Upon reviewing the item list, Aluminum Racing Products will provide a Returned Goods Authorization Number (RGA) for the items that will be accepted for credit consideration. Original Invoice must accompany all returns. No obsolete Parts.

**WARRANTY:** Due to the intended use of these products in racing, Aluminum Racing Products makes no statement of warranty or guarantee, written or oral, expressed or implied. Once the part is installed, the purchaser must assume all responsibility arising from malfunction, damage or misuse. No employee or officer of Aluminum Racing Products or its distributors has any authority to make statements contrary to these terms and conditions.

Prices are subject to change without notice.

No packing charge on truck shipments over \$250.00, not including freight.

All truck shipments less than \$250.00 will have a \$15.00 packaging and handling fee.

All returns must have an approved RA#

No returns after 90 days

Dealers: All drop shipments will incur a 5% per line item upcharge to cover all paper work.

Please inspect all items & note any damages on delivery receipt before accepting shipment. Freight carrier will not accept claims for damages not noted at time of delivery.

It is buyer's duty to notify Aluminum Racing Products immediately of any error in packaging. Replacement parts will be shipped using the same method/speed as original order.

## PAYMENT OPTIONS

### PAYMENT BY CREDIT CARD:

Aluminum Racing Products accepts VISA, MasterCard, Discover and American Express. Your credit card will be billed for the full amount of the order upon request and will ship immediately.

### PAYMENT BY COMPANY/PERSONAL CHECK,

#### CASHIER'S CHECK/MONEY ORDER:

Aluminum Racing Products accepts Cashier's Checks and Money Orders for any US-based bank. Your order will ship immediately following our receipt of your payment. Orders prepaid with company or personal check will be held 10 days until check clears the bank.

## UPS SHIPPING

Most component and accessory orders can be shipped via UPS. These items include (but not limited to) noses, bumper covers, aluminum & steel doors, spoilers, formed steel bumpers.

**UPS GROUND:** Shipments sent via UPS Ground will deliver before the end of the business day by a time pre-determined by your zip code. This varies from one to five business days. Please contact our Customer Service Department for actual UPS shipping time.

**UPS NEXT DAY AIR:** Shipments sent via UPS Next Day Air will deliver before the end of the next business day following shipment

**UPS NEXT DAY AIR SATURDAY DELIVERY:** Shipments sent via UPS Next Day Air Saturday Delivery will deliver by 3:00 pm (ET) Saturday.

**UPS SECOND DAY:** Shipments sent via UPS Second Day will deliver before the end of the the second business day following shipment.

**UPS THREE DAY SELECT:** Shipments sent via UPS Three Day Select will deliver before the end of the third business day following shipment.

## TRUCK SHIPPING

Orders too large, too heavy or requiring shipment in three or more UPS boxes must be shipped via truck freight. These parts include (but are not limited to) complete bodies, hoods, roofs, quarter panels and some fenders.

All truck orders must be shipped to a commercial address. Residential deliveries will incur a \$45.00 surcharge. Residential address implies that there is a home on the property which is, therefore, not zoned as a business.

Truck shipping times vary with delivery location and carrier. Due to the expense of truck shipping, it is imperative that you plan accordingly when purchasing components for your car.

**NOTE:** Aluminum Racing Products uses actual shipping weight on all truck shipments which many times varies from actual component weight. Please contact our Customer Service Department for inquiries regarding truck shipments.
