NASCAR Whelen All-American National Champion

Josh Berry
Multiple Wins in 2015
2014 Hickory Motor Speedway Champion

Welcome to our latest AR Bodies LMSC Catalog. I wanted to take a few moments to Thank You for considering our products and welcome you to the AR Bodies Family. Our goal above all else is to bring Honor and Glory to God through this business and in our personal lives, as well as helping you and your team succeed both on and off the track.

Throughout the years the LORD has blessed us with the knowledge and ability to design and create innovative products that are some of the best available for Short Track Race Car Bodies at an economical price. Our products have been considered cutting edge by the industry insiders for over three decades.

At AR Bodies we manufacture a full line of race car bodies and components that are track tested and proven with you, the racer, in mind. We are dedicated to providing quality products and service. Short track racing is an ever changing industry that requires we be diligent in our pursuit to provide the latest performance enhancing bodies and accessories to our customers at a reasonable price.

As many of you know our business was in large part destroyed by a devastating fire in July 2011. We are extremely GRATEFUL for all the prayers and help we recieved during the past years. As tragic as this seemed at first glance, it has turned into one of the greatest blessings GOD has ever provided for us. It has allowed us to restructure our business in a way that when completed will make us stronger and more efficient than before. This restructuring will benefit not only AR Bodies and it's employees but most importantly all of our customers. Thank You so very much to all of our customers that have shown great patience with us through this rebuilding process. We are also very thankful for the dedication of the greatest employees and friends that anyone could ever be blessed with.

As always we love to promote our customers achievements! If you would like to possibly be featured in an upcoming catalog, advertisement or website please feel free to contact us with your information and photos.

In closing, I would like to say THANKS to everyone who has contributed to the success of this business for over 30 years and to all those that are playing a part in it's future.

When considering your next body purchase, call AR Bodies... There is a Difference!

Jerry Criswell

Adjustable Hex Body Braces Pg 20

LMSC CAMRY Body Packages

LMSC A-Package: (This package includes all of your basic body panels)

White Composite Flange Fit Roof with A-post, Hood, Windshield Base and starter dash, Premium Composite Quarter Panels and Deck Filler with Window Base and interior package tray. Durable White Aluminum Doors, Deck Lid and Premium Aluminum Rocker Panels, Durable Plastic Fenders, Front and Rear Bumper Covers, Plus an ARbodies exclusive.... Get it all in your choice of White, Black or 5 additional colors. Another ARbodies Smart Choice!

Part# 37008A-xx

White	\$ 1557.00
Black	\$ 1771.00
Color	\$ 1900.00

*Painting your body can add up to 30lbs to its weight if you prime and seal it. Much of that added weight is up to 48" in the air which is not what you want on a race car. Our precolor bodies do not add any extra weight... A Great weight savings and its more economical than painting!

LMSC C-Package: (This package includes our A package plus Windows & Lexan Spoiler)

This package includes CNC Precut, Predrilled & Preblackened Molded Mar Resistant Front Windshield, CNC Precut, Predrilled & Preblackened Molded Rear Window and Quarter Windows. Premium 4pc Lexan Spoiler Kit, that includes 2pc Tig Welded Aluminum Spoiler Mount & 2pc Lexan Spoiler Blade.

Part# 37008C-xx

White	\$ 2255.00
Black	\$ 2457.00
Color	\$ 2585.00

LMSC M-Package: (This package includes both A & C packages plus most of the commonly used accessories you will need to install your new LMSC body) CNC cut Grill Screen, Preformed Front & Rear Bumper Bars, Hood & Deck Pin bars with tabs, Lightweight Extruded Deck lid hold down, Durable Plastic Slotted Valance in your choice of 7 colors, plus our complete valance installation kit. Headlights, Taillights and ID Graphics Kit with upper grill decal, Slotted Lightweight Aluminum Front & Rear Window Braces, 9 complete Hood Pin assemblies, 4 Premium Billet Adjustable Spoiler Braces, left and right Door Vent Windows and our popular Lower Nose Supports that help to maximize the counts of downforce on your frontend. At ARbodies we are all about Aerodynamics & these nose supports are the strongest and best in the industry!

Offset Brake Ducts that Work ...ARbodies Exclusive!

Molded to fit the Compound Shape of Plastic Noses. With the New Narrower Noses most Brake Naca Ducts point your brake hose toward radiator duct work and ground. This causes problems running the brake duct hoses without kinking and blocking Air Flow. Not Good! These Specially designed Offset Brake Ducts fix these problems and work great with all LMSC noses and most others as well. They help your hose run level and parallel to the front clip making it easier to run it without kinking. Thermoformed from Black HDPE for fit and durability, made in Left and Right designs for better fit.

Single Left - PN 40505 \$ 26.50

Lower Nose Supports

Redesigned for Max Travel
...no lower flange to get in the way!

Don't be fooled by Cheap Imitations!

Solid .050 Aluminum Construction with no Lightening Holes for MAX Support

Driver Side - PN 41105L \$ 47.50

Passenger Side - PN 41105R \$ 47.50

For Maximum Aerodynamics the lower nose area of a race car must be mounted SOLID. ARbodies makes it EZ with these nose braces. Our Unique pre drilled doubled mounting flange makes these the strongest available. Works with all LMSC Noses.

New Adjustable Seal Panel

Available in Black and White
Durable .170 Poly Seal Panel

With our Slotted Adjustable Panel you can Seal your body to the race track week after week without replacing. Keeps Air out from under car for Superior Aerodynamics. Attaches with our CNC machined panel attachment kit.

80"

Short Track Quarter Panel/Tail Supports

These supports are designed for Short Track Racing where you still want to use aerodynamics to your advantage. These supports keep the 1/4 panel & rear bumper cover area straight from behind the tire to the end of the bumper cover. CNC fabricated from .050 aluminum for an economical lightweight brace that is functional. Prenotched to clear the seam where the 1/4 panel & bumper cover meet on our LMSC bodies. They decrease the buffering and improve aerodynamics. Designed with 90 degree mounting flanges with predrilled holes for easy brace attachment. 8" longer than other brands. A must for FAST short tracks.

Measures
31.5" x 2"

Left Side - PN 50020L \$ 19.50 ea
Right Side - PN 50020R \$ 19.50 ea

Speedway Quarter Panel/Tail Supports

These supports are designed specifically for 5/8 mile tracks and above where extreme high speeds are expected. These are the ultimate 1/4 panel & rear bumper cover supports to stop air buffering of your body panels behind the rear tires. These are manufactured from .050 aluminum and are CNC designed with double 90 degree mounting flanges to attach your braces. The front has a durable hemmed edge for added strength. These braces are also predrilled for EZ attachment of your body braces.

Measures
31" x 8"

Left Side - PN 50021L \$ 34.50 ea
Right Side - PN 50021R \$ 34.50 ea

Adjustable Cowl Air Induction Turn Down

Another ARbodies Exclusive!

WOW! is this the best thing since sliced bread??? We think so!

ARbodies has another Industry 1st with our New Cowl Air Induction Turn Down. This is an EZ solution to what is normally a very hard, time consuming and tedious job. This turn down gets the cool cowl air into your cold air box efficiently without disruption of the air flow. This new lightweight aluminum, tig welded cowl turn down does a great job of that plus it can be installed in less than 1 hour. Manufactured from lightweight aluminum it is designed with a built in hinge system that allows for EZ adjustment from 3" to 4" filter heights. Works great on our 2004 to 2010 ABC Bodies and in many other applications as well.

**Works Great with our
Pro Flow Cold Air Boxes!**

Mustang - PN 402203x \$ 31.00 pair

Metric Camaro - PN 402112x \$ 31.00 pair

Metric Mustang - PN 402211x \$ 31.00 pair

Challenger
PN 402312x \$ 31.00 pair

CNC Cut Valance
with adjustable slots

Valance Attachment Kit 3/16" & 1/4"

Great Looking CNC machined from lightweight aluminum. 1 1/8" OD to keep your valance wear strip firmly where you want it. Enough CNC machined components to completely install your new Valance Wear Strip Kit. 80 piece kit includes CNC washers, flat head allen screws with nylocks and backup washers.

**Nicest Valance Kit
Available!**

lightweight 3/16" - PN 42305 \$ 49.50

1/4" - PN 40305 \$ 49.50

Valance Washer Repair Kit 3/16" & 1/4"

Want to spruce up your ride with a few new valance washers... we have just what you need. This 20 piece repair kit saves you money. Repair kit includes 5 CNC machined large OD valance washers, 5 flat head allen screws with nylocks and 5 backup washers.

lightweight 3/16" - PN 42306 \$ 14.50

1/4" - PN 40405 \$ 14.50

Offset Brake Ducts that Work ...ARbodies Exclusive!

With the New Narrower Noses most Brake Naca Ducts point your brake hose toward radiator duct work and ground. This causes problems running the brake duct hoses without kinking and blocking Air Flow. Not Good! These Specially designed Offset Brake Ducts fix these problems and work great with all ABC noses and most others as well. They help your hose run level and parallel to the front clip making it easier to run it without kinking. Thermoformed from Black HDPE for fit and durability. Made in Left and Right designs for better fit.

Single Left - PN 40505 \$ 26.50

Single Right - PN 40605 \$ 26.50

Dual Left - PN 40805 \$ 30.50

Dual Right - PN 40905 \$ 30.50

3" x 10' Hose - PN 42151 \$ 55.00

AERO Enhancing Products

Lightweight Roof Supports

Makes mounting and adjusting your roof easy, helps support the front and rear of your roof while keeping the proper shape for easy template fitting and best airflow and downforce.

Lightweight precision body mounting component, front weighs approx 11 ounces, rear weighs approx 9 ounces.

Muscle Car Front - PN 20351 \$ 29.95 ea

Muscle Car Rear - PN 20352 \$ 29.95 ea

Challenger Rear - PN 31252 \$ 29.95 ea

Another ARbodies Exclusive!

Trick Window Braces

CNC fabricated lightweight braces help keep your window supported with minimal weight. Designed to fit the contour of your window and help maintain shape and dowforce. Comes with foam stripping to keep from marring window. Aluminum mill finish extrusion, no ugly welding on these! Camaro & Mustang use same size for front window.

Powder Coated Black 3pc Front 24.5" - PN 701203 \$ 67.50

Powder Coated Black 4 pc Camaro Rear 28.5" - PN 711110 \$ 87.00

Powder Coated Black 4 pc Mustang Rear 34.25" - PN 711203 \$ 87.00

Powder Coated Black 3 pc Challenger Front 23.5" - PN 701312 \$ 67.50

Powder Coated Black 2 pc Challenger Rear 22" - PN 711312 \$ 43.50

Speedway Window Brace Supports

7" Gundrilled hex rod window brace supports work great on high speed race tracks.

Each kit includes all mounting hardware.

1 complete support weighs approx 2 ounces.

3pc Front - PN 75300 \$ 39.50

2pc Rear - PN 75301 \$ 27.50

Fender Supports

These supports are designed to stop air buffering of your front fenders behind the front wheels. These supports cover 25-35% more of your fender area than others available. Designed with 90 degree mounting flanges with predrilled holes for easy brace attachment. The left side fender support is specially designed to miss the foot box on most Super Late Models. Right side support has approx 35% more support and works great with our Right Side Body Brace. Manufactured from lightweight .050 aluminum.

Left Side - PN 50000L \$ 19.50 ea
Right Side - PN 50000R \$ 19.50 ea

AERO Enhancing Products

AERO Bracing... an Economical Alternative!

Unique extruded shape cuts through the air. Lightweight aluminum design. Each Kit contains 4 complete body braces. 4 30" pieces of AERO bar, 4 Scallop Brackets and 4 Rivets. Simply cut to length, drill and rivet, no painting required!

PN 50199 \$ 19.50 (Pkg of 4)

**Aerodynamic Bullet Design
Less Drag!**

**This isn't
Flat Bar!**

Measures
30" x 1"

Scalloped Ends swivel 180 degrees

Right & Left Side Body Braces

Support your Quarter Panel, Door and Fender with our new extra long brace.

Almost 2 feet longer than a standard door only brace.

Added AERO support for the entire side of the car.

CNC manufactured from 6063-T6 Aircraft Grade Aluminum.

Large 1-1/2" Flange to rivet to.

Upper PN 51000x \$ 39.50 ea

change x to L or R for left and right Lower PN 51200x \$ 39.50 ea

Side Body
Brace Installation Kit
(4 3/8" Weld Nuts,
Bolts & Flat Washers)
PN 51100 \$ 8.95

Muscle Car Speedway Quarter Panel / Tail Supports

These supports are designed specifically for tracks where extreme high speeds are expected. These are the ultimate 1/4 panel & rear bumper cover supports to stop air buffering of your body panels behind the rear tires. These are manufactured from .050 aluminum and are CNC designed with double 90 degree mounting flanges to attach your braces. The front has a durable hemmed edge for added strength. These braces are also predrilled for EZ attachment of your body braces.

Measures
24" x 8"

Left Side - PN 50022L \$ 34.50 ea
Right Side - PN 50022R \$ 34.50 ea

Decklid Support

**Helps Eliminate Decklid
Buffeting and Maintain Smooth Airflow to Spoiler!**

PN 41175 \$ 49.50 ea

Ordering Information

TERMS AND CONDITIONS

DEALER DIRECT ORDERS: We encourage all customers to buy from our stocking dealers. If the dealer in your area knows the body style you are running, they will stock the parts you need. Ordering from your local dealer will **SAVE** you money on shipping charges. Call today for the dealer nearest you

FACTORY ORDERS: ARbodies telephone hours are 8:00 am to 5:00 pm Central Time, Monday through Friday, evenings and weekends by chance. Most orders are shipped the same day they are placed.

SHIPPING: All orders are shipped FCA Aluminum Racing Products, Greenbrier, Tennessee freight collect. All orders must be pre-paid with credit card, cashier's check, money order, bank wire or certified check. Orders can be shipped COD/cash.

RETURNS: Unused parts may be returned provided the items are in new, undamaged condition (no dents, scrapes, holes drilled, rust, etc.). Returned items must be packaged with care and shipped freight pre-paid to Aluminum Racing Products, 2308 Industrial Dr, Greenbrier, TN 37073. A 20% re-stocking charge applies on all returns. No returns on special order items

RETURNED GOODS AUTHORIZATION:

1. A copy of the items to be returned must be received by Aluminum Racing Products for review before any items will be accepted.
2. Upon reviewing the item list, Aluminum Racing Products will provide a Returned Goods Authorization Number (RGA) for the items that will be accepted for credit consideration. Original Invoice must accompany all returns. No obsolete Parts.

WARRANTY: Due to the intended use of these products in racing, Aluminum Racing Products makes no statement of warranty or guarantee, written or oral, expressed or implied. Once the part is installed, the purchaser must assume all responsibility arising from malfunction, damage or misuse. No employee or officer of Aluminum Racing Products or its distributors has any authority to make statements contrary to these terms and conditions.

Prices are subject to change without notice.

No packing charge on truck shipments over \$250.00, not including freight.

All truck shipments less than \$250.00 will have a \$15.00 packaging and handling fee.

All returns must have an approved RA#

No returns after 90 days

Dealers: All drop shipments will incur a 5% per line item upcharge to cover all paper work.

Please inspect all items & note any damages on delivery receipt before accepting shipment. Freight carrier will not accept claims for damages not noted at time of delivery.

It is buyer's duty to notify Aluminum Racing Products immediately of any error in packaging. Replacement parts will be shipped using the same method/speed as original order.

PAYMENT OPTIONS

PAYMENT BY CREDIT CARD:

Aluminum Racing Products accepts VISA, MasterCard, Discover and American Express. Your credit card will be billed for the full amount of the order upon request and will ship immediately.

PAYMENT BY COMPANY/PERSONAL CHECK, CASHIER'S CHECK/MONEY ORDER:

Aluminum Racing Products accepts Cashier's Checks and Money Orders for any US-based bank. Your order will ship immediately following our receipt of your payment. Orders prepaid with company or personal check will be held 10 days until check clears the bank.

UPS SHIPPING

Most component and accessory orders can be shipped via UPS. These items include (but not limited to) noses, bumper covers, aluminum & steel doors, spoilers, formed steel bumpers.

UPS GROUND: Shipments sent via UPS Ground will deliver before the end of the business day by a time pre-determined by your zip code. This varies from one to five business days. Please contact our Customer Service Department for actual UPS shipping time.

UPS NEXT DAY AIR: Shipments sent via UPS Next Day Air will deliver before the end of the next business day following shipment

UPS NEXT DAY AIR SATURDAY DELIVERY: Shipments sent via UPS Next Day Air Saturday Delivery will deliver by 3:00 pm (ET) Saturday.

UPS SECOND DAY: Shipments sent via UPS Second Day will deliver before the end of the the second business day following shipment.

UPS THREE DAY SELECT: Shipments sent via UPS Three Day Select will deliver before the end of the third business day following shipment.

TRUCK SHIPPING

Orders too large, too heavy or requiring shipment in three or more UPS boxes must be shipped via truck freight. These parts include (but are not limited to) complete bodies, hoods, roofs, quarter panels and some fenders.

All truck orders must be shipped to a commercial address. Residential deliveries will incur a \$45.00 surcharge. Residential address implies that there is a home on the property which is, therefore, not zoned as a business.

Truck shipping times vary with delivery location and carrier. Due to the expense of truck shipping, it is imperative that you plan accordingly when purchasing components for your car.

NOTE: Aluminum Racing Products uses actual shipping weight on all truck shipments which many times varies from actual component weight. Please contact our Customer Service Department for inquiries regarding truck shipments.
